

Ethics Continuing Review Application Form

INSTRUCTIONS TO THE PRINCIPAL INVESTIGATOR: *Ethical clearance or approval is typically granted for a period of one year. Continuing review is required to be done at least once a year, corresponding the risk assessment of the study protocol. For ethical clearance or approval approaching the one-year expiry date and requiring a renewal or extension, it is advisable to submit this form **45 days** prior to expiry date. Please fill up this form and provide all required information then, **date and sign** this form before submission.*

Protocol Code:		
Study Protocol Title:		
Ethical Clearance Effectivity Period:		
Name of the Researcher:		
E-mail:	Telephone:	Mobile:
Study Site:		
Sponsor:		
Sponsor Contact Person:		
E-mail:	Telephone:	Mobile:
Application Submission Date:		
1. Start Date: 1.1. Date of research site initiation: 1.2. Explanation, if not yet initialized as of the date of this application: <reason/s>		
2. Action Requested: 2.1. • Renewal: subject enrolment still ongoing 2.2. • Renewal: randomized participants follow-up visits only 2.3. • Early Termination: study protocol discontinued ahead of study indicated duration		
3. Have there been any amendments since the last review/approval? 3.1. • No 3.2. • Yes (Describe briefly and indicate the date/s of Study Protocol Amendment Submission/s): <i>Please use additional pages if necessary</i>		
4. Summary of Study Protocol Participants:		
4.1. • No. of study subjects, the Principal Investigator should randomize (ceiling set by PI and Sponsor)		
4.2. • Actual No. of Randomized study subjects		
4.3. • No. of Randomized study subjects since the last review/approval		
4.4. • Total No. of enrolled patients since study initiation		
5. Have there been any changes in the participant population, recruitment, or selection criteria since the last review/approval? 5.1. • No 5.2. • Yes (Explain changes and indicate date/s of Study Protocol Amendment Submission/s)		
6. Have there been any changes in the informed consent process or documentation since the last review/approval? Attach the latest version of the participant information sheet and informed consent form/document 6.1. • No		

6.2. • Yes (Explain changes and indicate date/s of Study Protocol Amendment Submission/s)
7. Has any information appeared in the literature or evolved from this or similar research participants that might affect the REC's evaluation of the risk/benefit assessment of human participants involved in this study protocol? 7.1. • No 7.2. • Yes (Describe briefly and provide copy of the literature cited, including the Investigator's Brochure if applicable)
8. Have any unexpected discomforts, complications, or side effects been noted since the last review/approval? 8.1. • No 8.2. • Yes (Summarize and indicate date/s of SUSAR report submission/s)
9. Have any participants withdrawn from this study since the last review/approval? 9.1. • No 9.2. • Yes (Explain the context surrounding withdrawal and documenting due diligence exerted by the study team in managing these withdrawals)
10. Have there been any new intervention(s) or methods in the conduct of the study that is/are not in the approved protocol? 10.1. • No 10.2. • Yes (Describe use and indicate date/s of Study Protocol Deviation/Non-Compliance/Violation Report Submission/s)
11. Have any investigators been added or deleted since the last review/approval? 11.1. • No 11.2. • Yes (Enumerate personnel and indicate date/s of Study Protocol Amendment Submission/s. Append CV if not yet submitted to the UIC REC Review Panel)
12. Have any collaborating sites (institutions) been added or deleted since the last review/approval? 12.1. • No 12.2. • Yes (Enumerate sites and indicate date/s of Study Protocol Amendment Submission/s)
13. Have any investigators developed an equity or consultative relationship with a party related to this study protocol that might be considered a conflict of interest since the last review/approval? 13.1. • No 13.2. • Yes (Append a statement of disclosure)
14. Have there been changes in study personnel since the last review/approval? 14.1. • None 14.2. • Deleted (Enumerate and indicate date/s of Study Protocol Amendment Submission/s) 14.3. • Yes (Enumerate and indicate date/s of Study Protocol Amendment Submission/s)
15. Have there been other changes not mentioned above since the last review/approval? Attach protocol synopsis? 15.1. • No 15.2. • Yes (Describe changes and indicate date/s of Study Protocol Amendment Submission/s)
Signature of Principal Investigator:
Date Signed:

-----To be filled by the REC Members-----	
Referred to _____ • Full Board Review by REC _____ • Expedited Review at the level of REC Chair	
Is the reason for the delay justifiable? ____ Yes ____ No	
Is the potential contribution and importance of the research diminished because of the delay? ____ Yes ____ No	
Will the change in the methodology pose more risks to the participants? ____ Yes ____ No	
Recommended Action: • Uphold original approval with no further action • Request information: <i>(indicate information)</i> • Recommend further action: <i>(indicate action)</i>
